Re: Case No. 10-14133 (AJG) Addendum to objection to "Exhibit A" previously filed on or about 08/16/2010 (unpaid earned commissions)

Dear Honorable Judge Gonzalez:

I am a former Jesup & Lamont Securities Corp employee, terminated 6/30/2010, who is a creditor for unpaid commissions earned but not paid when operations ceased on June 30<sup>th</sup>. One of my accounts is a 401k plan with Triangle Auto Center. It has come to my attention that I am owed additional commissions from J&L that was earned during the month of June. This was earned and paid from management of the assets, and the commission is issued monthly to Jesup & Lamont. John Hancock Retirement Services, the plan provider, advised me via the commissions department that they did in fact issue this commission check payable to Jesup & Lamont, and verified that it was cashed by same in the month of July. Insofar as there was no accounting of this commission due to me was forthcoming from Jesup & Lamont since their cessation of operations, and I have been cut off from the commission accounting software online, I can only indirectly prove that I am owed this earned commission, as follows:

Attached is the Asset Overview for the month ending June 30<sup>th</sup> of 2010, It shows that allocated assets were \$6,092,871. John Hancock Retirement services sends a gross commission check to Jesup& Lamont each month on a calculation of .25% of current month's allocated assets, divided by 12. This equals \$1,269.35. As the plan advisor, I was contracted by Jesup& Lamont to be paid 60% of that gross commission. Therefore I am due another \$761.61 which I am submitting for priority treatment as a creditor in line for earned commissions, which is in addition to the previously submitted claim on or about 8/16/2010 for \$5,988 (for helpful reference, I have attached the Xtiva commission report I previously submitted).
